

RAPID! MOBILE APP¹ TO ACCESS YOUR ACCOUNTS AT NO COST!

Most employees now expect to be able to manage their finances from one central place.

rapid! PayCard has developed a Mobile App¹ at no cost called **rapid!Access**, which enables them to manage finances on the road.

With our latest release, cardholders have some great new features for secure and immediate access to view and manage their card account. Cardholders can now access their finances wherever they are . . . the mall, the grocery store, the gas station . . . or even sitting at home on the couch.

The rapid!Access¹ application is iPhone and Android compatible.

¹ While rapid! PayCard does not charge for this feature and service, standard text messaging, data and cellular rates may apply. Please check with your cell phone carrier and inquire about fees your carrier may associate with these services.

² All checks subject to review for approval. Some bank issuers may take up to 48 hours to post funds to your card account. Fees may apply.

The rapid! PayCard® Visa® Prepaid card is issued by MetaBank®, Member FDIC, pursuant to a license from Visa U.S.A. Inc.
